Bookmarks are another valuable feature for efficient study. Marking important chapters, sections, or reference pages allows quick navigation during revision. Bookmarks help learners resume reading exactly where they left off and organize content according to study priorities.

Digital annotation tools further support active engagement. Notes, comments, and highlights can be

added directly to the document, keeping insights closely connected to the source material. These annotations can be edited, expanded, or reorganized as understanding evolves over time.

Some readers also support linking annotations to external notes or documents. This integration allows learners to build a comprehensive study system that combines Educational Leadership Mcqs with supplementary resources such as lecture notes, articles, or multimedia content.
