Develop and Set Goals - Assisting clients in generating options - Encouraging self-exploration and motivation - Establishing achievable, client-centered goals 3. Take Action and Follow-Up - Planning concrete steps towards change - Supporting implementation and accountability - Evaluating progress and adjusting strategies accordingly This model emphasizes a collaborative, non-judgmental approach, fostering empowerment and self-efficacy.

Helping Skills and Techniques

setting and planning strategies - Confrontation and challenge (used judiciously) Each skill is analyzed in terms of purpose, application, and common pitfalls, enabling practitioners to develop competence and confidence.

This eclectic foundation allows for versatility and adaptability across different helping contexts.
