What is LETRS?

LETRS is a professional development program that emphasizes the science of reading, focusing on phonology, phonics, morphology, syntax, and semantics. It offers a structured, research-based approach to literacy instruction, supporting educators in diagnosing reading difficulties and tailoring instruction accordingly.

The Purpose of Unit 4

Unit 4 centers on Understanding and Supporting Word Recognition and Spelling Development. It explores how learners develop skills to decode and encode words, emphasizing the importance of explicit instruction in phonics, morphology, and orthographic patterns.

The Significance of Session 7: The Bridge to Practice

Session 7 functions as a capstone within Unit 4. Its core purpose is to translate theory into actionable teaching strategies. It encourages educators to reflect on their learning, analyze student needs, and plan targeted interventions. The session embodies a "bridge"—it connects the knowledge gained in previous sessions with the real-world demands of classroom instruction.

Detailed Breakdown of Session 7 Content

1. Recap of Key Concepts

Before delving into practice, Session 7 begins with a review of critical concepts from earlier sessions:

1. Phonological and phonemic awareness
2. Decoding strategies
3. Morphological structures
4. Orthographic patterns

This review ensures all participants share a common understanding, setting the stage for effective application.

1. Connecting Theory to Practice

This segment emphasizes metacognition—thinking about one's own teaching practices in light of scientific research. Educators are guided to:

1. Reflect on their current instructional approaches
2. Recognize areas needing enhancement
3. Understand how scientific principles underpin effective strategies

An essential part of this process involves analyzing student work, identifying common errors, and understanding their root causes.

1. Developing a Bridge Plan

The core activity in Session 7 involves creating a comprehensive plan that

links assessment data with targeted interventions. This plan typically includes:

1. Assessing student needs through formal and informal measures
2. Setting specific, measurable goals
3. Selecting evidence-based instructional strategies
4. Designing activities tailored to individual or group needs
5. Monitoring progress and adjusting instruction

Educators are encouraged to use a collaborative approach, involving colleagues, specialists, and families.

1. Practical Strategies and Resources

The session offers a rich collection of practical strategies, such as:

1. Explicit phonics instruction focusing on orthographic patterns
2. Morphological analysis to break down complex words
3. Multisensory activities to reinforce phonological awareness
4. Structured literacy routines for classroom consistency
5. Use of decodable texts aligned with phonics instruction

Participants also gain access to resource templates, checklists, and sample lesson plans to facilitate implementation.
