Bishop Oyedepo emphasizes that divine health is a covenant right, available to all who understand and activate biblical principles.

The Key Principles to Divine Health According to David Oyedepo

1. Faith as the Foundation

At the heart of Oyedepo's teachings is the unwavering belief that faith activates divine health. He advocates that believers must rely on God's promises rather than solely on natural remedies or medical science alone.

1. Faith activates the covenant of health: Believers are encouraged to confess and meditate on scriptures that affirm their health and healing.
2. Confession and declaration: Speaking health over oneself is a vital practice.
