Fortunately, most modern devices are designed to handle common digital document formats with ease.

PDF is the most universally supported format for 2000

ePub formats offer greater flexibility in text layout, allowing font size, spacing, and margins to adapt to different screens. Security Tips

Safe handling of digital documents

In addition to secure downloading, safe handling practices further reduce risk. Avoid enabling macros or scripts in PDF files unless necessary and trusted. Be cautious with files that request excessive permissions or prompt unexpected actions. These precautions help maintain device integrity

and user privacy.
