### **Using Digital Features**

Digital features significantly enhance the study experience with Rumour Mill News Reading Room. Search functionality allows learners to locate keywords, concepts, or references instantly. This saves time and supports efficient cross-referencing, especially when working with lengthy documents or multiple sources.

Copying references and quotations digitally simplifies academic work. Learners can quickly extract relevant passages for essays, reports, or research projects. When copying content, it is important to maintain proper citations and respect copyright guidelines to ensure ethical use of information.
