Origins and Contextual Background

The Genesis of the Title

The phrase *Curious Incident of the Dog in the Night-Time* originates from Arthur Conan Doyle's Sherlock Holmes story, *Silver Blaze*, where Holmes notes that the curious incident was the dog not barking during a critical crime. Haddon's choice of this title signals a thematic focus on observation, inference, and the importance of seemingly minor details in understanding truth—principles central to detective fiction and, by extension, to Haddon's novel.

Mark Haddon's Literary and Personal Influences

Haddon, a British author and playwright, drew

inspiration from his experiences with individuals on the autism spectrum, notably his friendship with a young man with autism. This personal connection informs the empathetic and nuanced portrayal of Christopher Boone, the protagonist. The novel's publication coincided with a growing societal awareness of autism spectrum disorders (ASD), positioning it within a broader cultural conversation.

Structural and Stylistic Features

2. Logical structuring, reflecting Christopher's systematic approach
3. Illustrations and diagrams to aid understanding

This stylistic approach offers a window into the mind of an individual with ASD, fostering empathy while also challenging readers' assumptions about perception and communication.

Maintaining Your Books
