Maintaining Your Books

Proper care and maintenance can significantly extend the lifespan of your I Went Walking Book books, whether they are physical or digital.

For physical books, store them in a cool, dry environment away

from direct sunlight. Excessive heat, humidity, and light can cause pages to yellow, covers to fade, and bindings to weaken. Shelving books upright and avoiding overcrowding helps maintain their shape. Handle books with clean, dry hands and avoid folding pages or forcing bindings flat.

Dust your bookshelves regularly and gently clean book covers with a soft, dry cloth. For valuable or collectible editions, consider using protective covers or storing them in archival-quality boxes.

Digital books require less physical care, but organization is still important. Regularly back up your eBook library and ensure your reading devices are updated to prevent data loss.
