She believed that caring for the ill was a noble and important job. Her family was initially surprised, but Florence was determined. She sought training and education in hospitals and nursing schools, even though it was uncommon for women of her class to do so. These lessons would become the foundation of her future work.

The Challenges of the Crimean War **The Hospital Conditions During the War** In 1853, Europe was embroiled in the Crimean War, a conflict involving Britain, France, Russia, and the Ottoman Empire. Many soldiers were wounded or fell ill, and they needed medical care. Unfortunately, the hospitals set up for treating the soldiers were overcrowded, dirty, and poorly managed.
