The academic year at SNHU is divided into several terms, each with its own start and end dates. These terms are structured to provide students with continuous opportunities to enroll, accelerate their studies, or take breaks as needed. The calendar's flexibility is a defining feature and a key factor in SNHU's appeal to working professionals, military personnel, and adult learners.

Maintaining Your Books

Proper care and maintenance can significantly extend the lifespan of your Snhu Term Starts books, whether they are physical or digital.

For physical books, store them in a cool, dry environment away from direct sunlight. Excessive heat, humidity, and light can cause pages to yellow, covers to fade, and bindings to weaken. Dust your bookshelves regularly and gently clean book covers with a soft, dry cloth. For valuable or collectible editions, consider using protective covers or storing them in archival-quality boxes.

Digital books require less physical care, but organization is still important. Regularly back up your eBook library and ensure your reading devices are updated to prevent data loss.
